

# COMMUNITIES NEED CLINICS

## 2023 report at-a-glance

FULL REPORT: [WWW.COMMUNITIESNEEDCLINICS.COM](http://WWW.COMMUNITIESNEEDCLINICS.COM)

### INDEPENDENT CLINICS PROVIDE THE MAJORITY OF ABORTIONS IN THE US

Access to abortion care in the US depends on indie clinics staying open

### INDEPENDENT CLINICS ARE CLOSING AT AN ALARMING RATE

Nearly a third of indie clinics have been forced to close in the last decade

### ABORTION ACCESS THROUGHOUT PREGNANCY DEPENDS ON INDIES

The majority of clinics providing abortion after the first trimester are independent

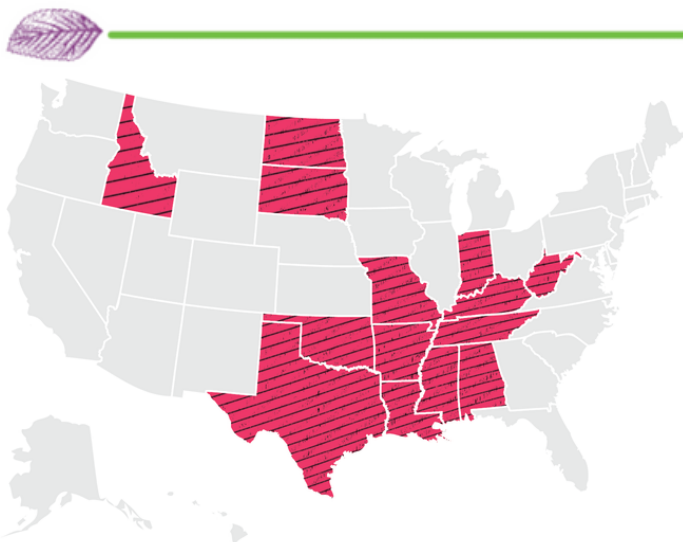

**61%**  
of all U.S. clinics that provide abortion after the first trimester are independent

**86%**  
of all U.S. clinics that provide care at or after 22 weeks are independent

**100%**  
of all U.S. clinics that provide abortion after 26 weeks of pregnancy are independent

### 14 STATES ARE WITHOUT A SINGLE ABORTION-PROVIDING CLINIC

No state has been without at least one abortion clinic since ACN started tracking clinics in 2012
