

COMMUNITIES NEED CLINICS

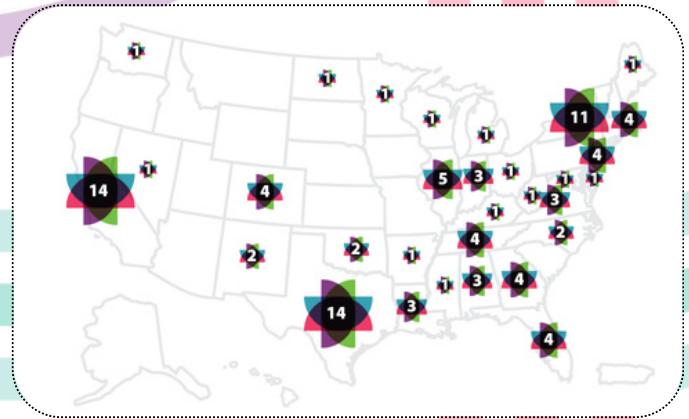

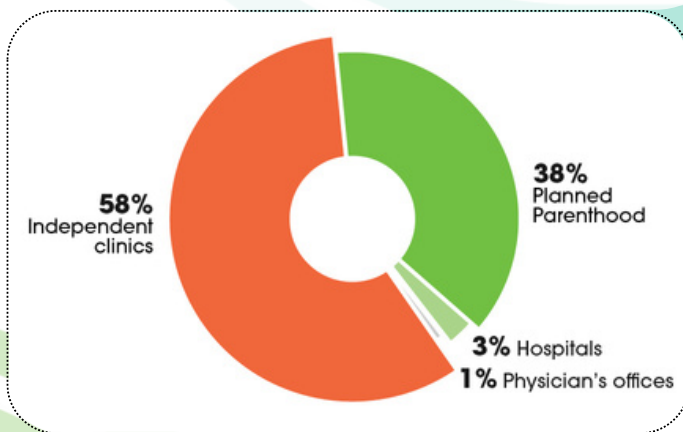

2025 report at-a-glance

FULL REPORT: WWW.COMMUNITIESNEEDCLINICS.COM

**KEEP
OUR
CLINICS**

INDEPENDENT CLINICS PROVIDE THE MAJORITY OF ABORTIONS IN THE US

Access to abortion care depends on indie clinics staying open

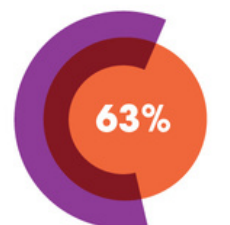

INDEPENDENT CLINICS ARE CLOSING AT AN ALARMING RATE

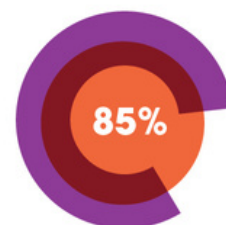

100 indie clinics have been forced to close since Roe was overturned

ABORTION ACCESS THROUGHOUT PREGNANCY DEPENDS ON INDIES

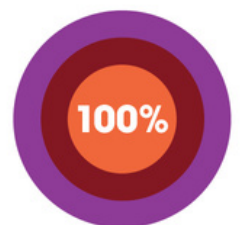

The majority of clinics providing abortion in the 2nd + 3rd trimesters are independent

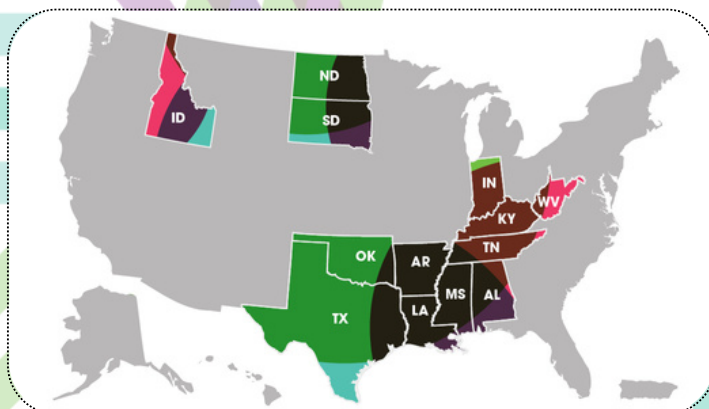

of all U.S. clinics that provide abortion **after the 1st trimester** are independent

of all U.S. clinics that provide care **at or after 22 weeks** are independent

of all U.S. clinics that provide abortion **after 26 weeks of pregnancy** are independent

13 STATES ARE WITHOUT A SINGLE ABORTION-PROVIDING CLINIC

Access to clinic-based abortion care has been decimated in the south & midwest
